

Calgary Firefighters Association

FSPP Board Trustees

IAFF Local 255

*The FSPP Board of Trustees holds sole fiduciary responsibility for the Calgary Firefighters Supplementary Pension Plan (FSPP), setting its strategic direction and overseeing all aspects of its administration. This includes selecting and managing service providers, ensuring compliance with legislation, monitoring investments, setting actuarial assumptions and contribution rates, and maintaining accurate member records. The Board also ensures accurate benefit payments, communicates with plan members, liaises with regulators, and commissions an annual independent audit of the fund's financial transactions. **While the Board oversees the administration of the pension plan, it does not provide individual financial advice and should not be considered a source of financial or retirement planning guidance. Members are encouraged to consult with qualified financial advisors for personal financial planning needs.***
