

New pay services email
payservices3@Calgary.ca

This is supposed to be the main route for membership. Having spoken to pay services they are very frustrated with it as Local 37 and 703 are also included in the mailbox which leads to delays. Be aware that Char and Emi are still available for member service VP's via phone.

Suppression members on short term S&A benefits must work a minimum of 168 hours in the prior 60 days in an acting capacity to receive their S&A benefits at the acting rate of pay. The payroll administrator will determine the rate of pay by pulling a report of hours worked at acting 60 days prior to the book of date.

For Members on WCB the rate of pay will be based on the date of accident rate or the hours most worked in the last 60 days, whichever is greater.

CHECK YOUR PAY STUBS!

You have 21 days from your pay stub date to submit a grievance. Please check pay stub to ensure you have received amount owed. Thank you
